

Student Volunteer Opportunities

There are a variety of options available or you can create your own based on your personal talents. Contact the Senior Center at 978-356-6650 for more information or to sign up. Some of the areas in which we utilize student volunteers are:

Technology Help – Sometimes people learn the new technology best when they receive one-on-one direction. Instruction could take place at the Senior Center during working hours (Monday – Friday 8am-4pm), at the library, at the high school or in the senior's home.

House Work – help a senior organize their belongings in their home. Work can include packing and moving boxes, cleaning out closets and/or basements, and re-arranging shelves.

Yard Work – seasonal tasks include snow shoveling, raking leaves, clearing brush.

Pet Care – tasks may include walking, cleaning kitty litter, unloading pet supplies from a person's car.

Entertainment – small group performance at the Senior Center, reading books to homebound seniors, help with large functions.
